Wine Review of 2017 Cantina Pizzolato Sulfite-Free Vegan Organic Cabernet Sauvignon Veneto IGT, Italy

Score: 82/100

Pizzolato Italian Cabernet has this unique combination of features, of being not only an [organic wine](#), but also a vegan-friendly wine, and more importantly of containing no detectable [sulfites in the wine](#)!

It is made from 100% [Cabernet Sauvignon grapes](#) in the Veneto wine region of Northern Italy.

The wine is vinified off the skins and fermentation is completed in stainless steel tanks at controlled temperatures. No oak or [oak barrels](#) are used during the winemaking process.

Pizzolato Cabernet is sold in the US by [naturalmerchants.com](#)

Overall Review Notes & Tasting Impressions

A fragrant and lively Cabernet, with a bright red color of medium intensity and crisp aromas of fresh and acidic red berries.

Fresh raspberry and slightly vegetal redberry are the dominant notes, while a white pepper spiciness lifts up the aromatic profile with some aromatic heat.

Tannins are firm and a little edgy, biting to the finish. They underline zesty and crisp berry flavors complemented by heaps of citrusy, lemon and grapefruit notes.

Sharp acidity adds to the lively, acidic and salivating tasting experience.

A Cabernet Sauvignon driven by the freshness of the fruit character, dry and mid-bodied, it is a crisp and animated expression of Cabernet, all about purity of acidic red berry fruits.

Enjoy 😊
